Dear Parents/Guardians,

We wanted to let you know that Thornton Middle School will not be selling school supplies for the 2019-2020 school year. We have priced supplies at various vendors, and the pricing has increased significantly.

We hope that if parents have the opportunity to shop over the summer, you may be able to buy your child's supplies at a lower cost. The team created a general list that applies to all 6th, 7th, and 8th grade to help with finding and purchasing supplies.

We hope by giving you advanced notice that it will not be an inconvenience and that it will provide you with enough time to purchase the supplies over the next few months.

Sincerely,

Thornton's Administration Team
