STEP 6: Select PACE, Health, & Foreign Language courses for High School 4-Year Plan

- **PACE (.5 credit)** – Personal, Academic, & Career Exploration – builds skills to assist in the transition to high school as well as future transitions to career, college, adulthood, and independence.
 - **Required in 9th grade**
 - **Not available to take in Summer School**

- **Health** – Health or Principles of Health Science in 10th or 11th grade (*choose one*)
 - Health – (.5 credit)
(Can be paired with PACE)
 - OR**
 - Principles of Health Science in 10th or 11th grade
(Recommended for those choosing the Public Services/Health Science endorsement option)

- **Foreign Language** – **2 credits of the same language are required** (*choose one*)
(This includes any Foreign Language credits earned in middle school)
 - Spanish
 - French
 - German
 - Latin
 - American Sign Language (Cy-Ridge & Langham Creek only)

This is just an example...everyone's plan will look different based on their personal choices.

Be sure to list any credits you earned in middle school in the column on the left.

Enter Health Requirement in 4-Year Plan

- Add Health (.5) in the blank next to PACE

OR

- Add Principles of Health Science (1.0) in 10th or 11th grade and add a .5 credit elective next to PACE (see list on pg. 39)

Remember: Each box in the 4 year plan worksheet represents 1 credit. You must match a .5 credit course with another .5 credit course to equal 1 credit.

Enter LOTE/Foreign Language Requirement in 4-Year Plan
